Re: *Samuel Houston v. Army Fleet Services, LLC*

Dear Jimmy:

Please find enclosed AFS's supplemental discovery responses and additional documents responsive to the plaintiff's request for production bates labeled *Sam Houston v. L-3 Communications 2017 to 2771*.

Also, after our discussion yesterday, I followed up with Dr. Wise's office regarding the outstanding documents she owes in response to AFS's subpoena. I was advised that she is on sabbatical and the office staff is not authorized to release any documents in her absence. The staff member I spoke with agreed to try to contact Dr. Wise for authorization. If I do not have the documents by next week, I will file a motion to compel.

Finally, I have asked my client to gather the Notice of Claim forms for the individuals that have filed for unemployment compensation since December 1, 2003. I will forward these documents to you as soon as possible.

Very truly yours,

Interrogatory 22. If any of the above listed employees are no longer employed with the defendant, please state the reason their employment ended, and if terminated or forced to resign state in detail the reason why that employee was terminated or forced to resign and identify all persons involved.

RESPONSE: Object. This interrogatory is overly broad, unduly burdensome and seeks information that is neither relevant nor reasonably calculated to lead to the discovery of

admissible evidence. Subject to and without waiving the foregoing general and specific objections, AFS refers the plaintiff to the termination information provided in response to Interrogatory No. 4 and Interrogatory No. 5 herein.

Interrogatory 7. Identify by name and job title and every employee who has every complained that he or she was being discriminated against on the basis of illness or disability.

Interrogatory 20. Identify each employee at AFS who was placed on short-term disability and/or medical leave from December 1, 2003 to the present.

RESPONSE: Object. This interrogatory is overly broad, unduly burdensome and seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence.
